Annex 1

**3. GUIDANCE FOR FILLING IN THE DECLARATION OF INTERESTS (DOI) FORM FOR EXPERTS TO PARTICIPATE IN ACTIVITIES OF THE SAPEA CONSORTIUM**

This present DOI form is by and large similar in content to the one used to list the interests of members of experts of Commission Expert Groups as established by the Commission's horizontal rules on Commission expert groups and other similar entities are consultative bodies<sup>1</sup>. Individuals invited to participate in Activities as defined in the introduction to the form (i.e. Activities organised by the SAPEA Consortium), are due to act independently and in the public interest.

In order to ensure the highest integrity of experts, you are requested to duly complete the DOI form. You are required to disclose any circumstances that could give rise to a conflict of interest, i.e. any situation where your interests may compromise or may reasonably be perceived to compromise your capacity to act independently and in the public interest in participating in Activities. In particular, you must disclose in this DOI form any relevant professional and financial interests.

You must also declare relevant interests of your immediate family members. If interests of your immediate family members are declared, it is your responsibility to inform them about the collection of information on their interests included in this DOI form and to provide them with the privacy statement attached to this guidance, and this at the latest when you file the DOI form with the SAPEA Consortium.

<sup>1</sup> Commission Decision of 30 May 2016, ref C(2016) 3301, Article 2.1 - See [http://ec.europa.eu/transparency/regexpert-PDF/C\\_2016\\_3301\\_F1\\_COMMISSION\\_DECISION\\_EN.pdf](http://ec.europa.eu/transparency/regexpert-PDF/C_2016_3301_F1_COMMISSION_DECISION_EN.pdf)

Please submit the completed DoI form to the SAPEA Consortium, together with your CV, in order for the Consortium to determine if a Conflict of Interest would exist and if so, whether measures should be taken to avoid that a secondary interest that you may have could compromise your capacity to act independently and in the public interest in the work that you are requested to perform. If there is any change concerning the information provided in the form, including on upcoming activities, you must promptly inform the SAPEA Consortium and amend the DOI indicating the changes in question.

Please note that having a declared interest **does not necessarily mean** having a conflict of interest. Answering "Yes" to a question on this DoI form **does not automatically disqualify you or limit your participation** in the Working Group. The SAPEA Consortium will review your answers in a manner similar to what is done in the context of the aforementioned horizontal rules and determine whether a conflict of interest relevant to the subject at hand exists<sup>2</sup>.

Where the SAPEA Consortium concludes that no conflict of interest exists, you can continue your work in the Working Group in a personal capacity. Where the SAPEA Consortium concludes that your interests may compromise or be reasonably perceived to compromise your capacity to act independently and in the public interest in the context of contributing to the Working Group in question, they can propose measures to avoid that a Conflict of Interest could compromise the results of the work in the Working Group.

If you decline to complete a DoI form, you shall be excluded from the Activities.

Personal data shall be collected and processed by the SAPEA Consortium in accordance with Article 39, paragraph 2 of the Grant Agreement Nr 737432 signed between the SAPEA Consortium and the Commission on 22 November 2016.
